## ABOUT ABEC ITE

ABEC ITE is the ruling monarch of the Indian private exhibition sector, bestowing excellence from Concept to Completion! Earlier known as ABEC Exhibitions & Conferences Pvt. Ltd. (ABEC), established in 1993, ABEC envisioned a future where world-class trade shows and knowledge-sharing conferences would unleash a new world of possibilities for the top-class global brands as well as buyers and sellers of every magnitude. With persistent commitment to excellence and innovation ABEC has become the Largest Private Sector Organizer of International Shows with almost 10% share of the Indian Exhibition Market.

With an objective to enhance presence in the Indian exhibition market ITE Group, a leading organiser of international trade exhibitions and conferences and specialists in fast-growing emerging and developing markets, entered into an agreement to acquire ABEC, one of India's leading exhibition businesses, running over 20 events across different industry sectors including building & interiors; oil, gas and energy; education; lifestyle; travel and tourism; real estate and security and protection.

This acquisition is a further step to benefit the building materials industry to connect their business to the world and is certain to create robust marketplaces for business through B2B exhibitions.

# MANAGEMENT

**SUMIT GANDHI**  
Chairman & CEO - ABEC

Sumit, M. Gandhi (SMG), is the CEO and full time Director of ABEC, India's leading private trade fair company for conducting highly successful Pan-India mega exhibitions on a variety of areas such as Education, Building, Construction & Architecture, Gems and Jewellery, Fashion etc. He is a Chartered Accountant and holds a Bachelors degree in commerce from the University of Bombay. He has nearly a decade's experience in the events / exhibition industry and is currently the Project Director of ACETECH, Hospitality & Secutech Exhibitions. He has led ABEC to new heights of success. ACETECH, under his leadership has become the World's 3rd Largest Building Materials Tradeshow!

Mark has been a key figure in the international events industry for over 20 years, heading up two of the fastest growing companies in that time and operating across multiple markets and industry sectors. He was one of the founders of ITE in the early 1990's and was managing director from 1995 to 1998 and then chief executive officer upon flotation to the London stock exchange. He then co-founded Expomedia Group, which was floated on the Alternative Investment Market in December 2001. In 2009 Mark was involved in establishing Expofund and an Operating Partner with Advent International.

**MARK SHASHOUA**  
Chief Executive Officer - ITE

## *Our legacy*

**LATE SHRI S.M. GANDHI**  
Chairman & Managing Director  
01/12/1943 - Will be with us forever!

Late Shri Surendra Mohan Singh Gandhi, Founder Chairman of Asian Business Exhibition and Conferences Ltd. and Oil Asia Publications Pvt. Ltd. was an iconic personality in the Petrochemicals & Energy sector. He was the 'Media Guru' who started his career as a small time reporter and went on to own one of the leading newspapers in Dehradun (capital of Uttarakand, UP). He then started Oil Asia Journal- India's leading petroleum trade Magazine in 1981.

He was the favourite "Bade Sir" for 400+ strong employee base of ABEC Ltd. and pivotal to the growth of the company. He spearheaded the growth of a 3M INR Business in 2002 to a 6000M INR Company that ABEC Ltd. is today and still surging forward in full force with all his blessings.

Mark Temple-Smith has been involved in the global exhibitions and events industry for over 20 years. He has helped develop successful businesses in Europe, North America, Africa and Asia. Mark is Regional Director for Asia, for London listed ITE Group plc, one of the world's largest exhibition organising companies. He has been instrumental in the formation of several new joint ventures and acquisitions for ITE in Asia. Prior to joining ITE Group plc in 2012 Mark was a member of the management team at private equity owned Canon Communications LLC. Originally from the UK, Mark lives with his family in Singapore.

**MARK TEMPLE SMITH**  
Regional Director - Asia - ITE

**MANISH GANDHI**  
COO & Executive Director - ABEC

Manish, M. Gandhi, is a co-promoter and full time Director of ABEC. He holds a Bachelors degree of Engineering (Electronics). He brings with him rich experience of four years as an Engineer with the globally reputed Halliburton group. He is currently the Project Director of the Education, Real Estate, IT, Travel and Tourism, Printing, Machinery, Furniture & Furnishings verticals of exhibitions with ABEC. He is editor of 'Oil Asia', Director of 'India Oil and Gas Review Symposium (IORS)' and also Sales Director of 'a&s India' which is the Indian edition of the globally acclaimed A&S magazine. He has been instrumental in making ABEC Ltd. a world class Trade Fair and Media company by setting high standards of corporate business practices.

**UDO SCHUERTZMANN**  
Managing Director - ITEI

Udo Schuertmann is the Managing Director of ITEI. He has 23 years' experience in the international exhibition industry, working for the likes of Messe Frankfurt in Moscow, Reed Exhibitions in Germany, Miller Freeman (now UBM) as well as Messe Dusseldorf India. He will be driving the development of ITE's New Delhi-based itei as well as working closely with ITE's Mumbai-based partner, ABEC.

## EXHIBITING COMPANIES

India International Travel & Tourism fair (IITT) has established itself as a leading Travel & Trade Show of global importance within a short time span of 3 years. Apart from effective trade networking among travel dealers from domestic and international cities, IITT also offers an array of innovative attractions like Seminars, Destination Workshops, Training Academy, etc. making it much more than just another travel show. Covered & telecasted by NDTV Good Times (India's popular Lifestyle Channel), IITT is a galactic congregation of the global travel fraternity, a Celebration & a Commercial Hub at the same time. As evident from its triumphs, IITT has been conceptualized and executed by the national industry leaders, ABEC Pvt. Ltd. - India's Largest Private Sector Organizer of International Shows. With a legacy of 22 years and having curated over 70 shows, IITT marked ABEC's entry into the travel sector and has been applauded by buyers and participants alike.

## GLAMOUR

Started decade back, Glamour has already established itself as the most sought after event for India's Jewellery and Lifestyle industry. It's a royal meeting place where leaders of the retail jewellery world showcase their exclusive products to the choicest of clientele, to expand the boundaries of designer jewellery and to unearth golden opportunities. Well known celebrities and socialites have been associated with this event on a regular basis and it gets bigger and better each year!

## GLITTER

Glitter is an ultra exclusive, elite celebration of the finer emotions of life. It is a niche event where only exclusive and high-end Indian and International brands dealing in Fashion Couture, Lifestyle Products, Bridal wear and Trousseau showcase their products and services. Both these "Experiences" match the pace of growth in the Lifestyle industry and understand the current market needs for a new multi-dimensional platform for sellers in the country.

## SHAGUN

"Shagun" as the name itself suggests, is like a grand wedding carnival! A popular bridal show that adds to the aesthetics of the divine concept of holy matrimony, this is a complete consumer bridal exhibition for all those who are looking for something exclusive for their wedding celebration. Right from bridal jewellery to accessories, bridal wear to all that goes into making you holy matrimony an unforgettable experience. Shagun is a very popular show with women and has always been on the agenda for the who's who of the society!

Minerals, Metals, Metallurgy & Materials International Exhibition and Conference (popularly known as MMMM) is a leading biennial international event for industry professionals. The event started in 1993 in association with The Indian Institute of Metals – Delhi Chapter, as a trade platform for industry professionals. It has become well recognized within the industry in India, as well as the world over, for showcasing market leading products and brands. Each edition has added value to its profile and has created new standards in visitor numbers and volume of business transactions. Each edition of MMMM has been concurrent with an International Conference organized by The Indian Institute of Metals – Delhi Chapter. All conferences have been addressed by leading luminaries of the industry and have been recognized as an important networking platform for industry professionals.
